Allocation of places: Champions' Cup 36

The title holder, РКМ (КРЗ), is entitled to a place in the Champions' Cup group stage. If it qualifies for a group stage place vacated by another association, Kagdazka and Pazhujebu will receive its normal allocation of places. If it qualifies for the preliminary phase, that preliminary phase place will be vacated. If it fails to qualify for the competition, it will receive an additional place.

Allocation of places: Globe Cup 33

Every association may enter three teams in the Globe Cup, regardless of coefficient.

Allocation of places: Series B Champions' Cup 33

Every association may enter four teams in the Series B Champions' Cup. Teams in an association's first division are ineligible to participate in the Series B Champions' Cup.

Multiassociational leagues

A multiassociational league may enter a total number of teams in each UICA competition equal to the sum of the places allocated to its top two ranked associations (unless only one of its associations can contribute places according to puppet rules).

In the Champions' Cup, group stage places must be filled by teams from the association that earned them, champions' path places must be filled by association champions (*i.e.*, an association's highest-placed team in the league), and non-champions' path places may be filled by teams from any association.

In the Globe Cup, any multiassociational league may enter six teams (unless only one of its associations can contribute places according to puppet rules). No single association may enter more than four teams.

In the Series B Champions' Cup, any multiassociational may enter eight teams (unless only one of its associations can contribute places according to puppet rules). No single association may enter more than six teams.
