&  
REGULATIONS**

**SEASON 40**

# Overview of UICA competitions

UICA operates four club competitions: the Champions' Cup, which is the world championship for club football; the Globe Cup, for teams which fell short of qualifying for the Champions' Cup or were eliminated from it; the Series B Champions' Cup, for the world's top second-division clubs; and the Super Cup, played at the end of the season between the winners of the three tournaments. All matches are played on a home and away basis, except the three finals played at neutral sites, and the Super Cup, in which each team hosts one of the three matches.

Any football association which operates a club competition is entitled to enter UICA competitions. Entries may be submitted through the [International Domestic Soccer NewsWires](#) system at any time by listing the teams to be entered in next season's competitions. Every association may enter its champion in the Champions' Cup, three teams in the Globe Cup, and four teams from outside its top-tier league in the Series B Champions' Cup. (If an association has a single-tier league system, it may not enter the Series B Champions' Cup.) Associations may earn additional places in the Champions' Cup through the coefficient ranking system.

*Entry*

The Champions' Cup is contested by the champions of every participating association, and second-, third-, and fourth-placed teams from the highest-ranked associations. The 32-team group stage includes the defending champion, 21 (or 15) teams which qualify directly from their domestic leagues, and 10 (or 16) teams which qualify through a series of preliminary and playoff rounds. All teams eliminated prior to the group stage, and teams which finish third in their group, enter the Globe Cup; the top two teams in each group advance to the 16-team knockout phase.

*Competition  
Formats*

The Globe Cup is the largest of the UICA competitions, with three teams from each association joined by teams eliminated from the Champions' Cup. Its 48-team group stage consists of the 10 (or 16) teams eliminated in the playoff round of the Champions' Cup and 38 (or 32) teams which qualify from the Globe Cup's long series of uniquely-named preliminary rounds. The group winners and runners-up are joined by eight teams from the Champions' Cup group stage in the 32-team knockout phase.

The Series B Champions' Cup is a competition for second-division teams; teams in an association's top flight are ineligible to participate. It is structured in a similar manner to the Champions' Cup, but every association is allowed to enter four teams, and none of them enter the group stage directly.

The Super Cup is played as a single round-robin between the champions of the other three competitions. The winner is determined by a league table, or by kicks from the penalty mark if necessary.

After the deadline for entries announced via newswire has passed, results are posted each day according to this schedule:

Globe Cup results are posted after the day's Champions' Cup and Series B Champions' Cup results, so that teams eliminated from the Champions' Cup can be included in the draws.

Each association may nominate stadia to host the finals of the Champions' Cup, Globe Cup, and Series B Champions' Cup. Each bid must include some details about the stadium, including the city in which it is located and its seating capacity. The Champions' Cup final must be played in a stadium seating at least 60 000; there are no specific capacity requirements for the other two finals. An association must participate in UICA competition for at least one season before it may nominate a final site, may nominate only one stadium for each competition, and may not nominate the same stadium for more than one competition.

*Final Sites*

UICA has five major sponsors, known as "UICA Partners," and one of these places is opened for bidding every four seasons. Each sponsor is associated with a particular competition; the Champions' Cup and Globe Cup have long-term contracts with their sponsors, so only the Series B Champions' Cup and Super Cup sponsorships are open to bidding. In order to bid, the applicant must supply a logo of sufficient quality.

*Sponsorship*

After each season of competition, a ranking of associations and a ranking of clubs is published in this document. These coefficients are based on results in the Champions' Cup and Globe Cup over a period of five seasons. The association ranking determines the number of places each association receives in the Champions' Cup, and the rounds in which an association's teams enter all three major competitions. The club ranking determines seeding in the draws for the Champions' Cup preliminary, playoff, and group phases.

*Coefficient  
Ranking*

Based on the coefficient ranking of seasons 36–40, associations will be permitted to enter the following number of teams in Champions' Cup 41:

The title holder, Fontvielle Impact (VLD), is entitled to a place in the Champions' Cup group stage. If it qualifies for the group stage through its domestic league, Valladares will receive its normal allocation of places. If it qualifies for the preliminary phase, Valladares's preliminary phase place will be vacated. If it fails to qualify for the competition, it will replace the fourth-placed team.

Multiassociational leagues receive the following places according to the coefficient rankings of their top two associations. Group stage places must be filled by the association which earned them; champions' path places must be filled by associations which do not have group stage places, and each association may fill only one of them; non-champions' path places may be taken by any team regardless of association.

A bid to host the Champions' Cup, Globe Cup, or Series B Champions' Cup final must include the stadium's name, location, and capacity, and additional descriptive information about the stadium or its location. The Champions' Cup final must be held in a stadium which seats over 60 000; there are no specific capacity requirements for the other finals.

# Allocation of places

Places in the Champions' Cup are allocated according to the coefficient ranking of associations. Every association is entitled to enter its champion club, and the top twenty-eight associations (excluding those which do not have their own allocated places due to participation in a multiassociational league) may enter a non-champion club. The top twelve associations' champions enter the group stage directly, as do the runners-up of the top three associations. Ordinarily, the runners-up of the fourth- through sixth-placed associations and the third-placed teams of the top three associations also enter the group stage, but they may be moved back to the playoff round if necessary to accommodate a large number of entries.

Additionally, the champion of the previous season's competition is assured a place in the group stage if it does not qualify through its own league. If the club does qualify for the group stage through the league, the champion of the thirteenth-ranked association is advanced up to the group stage. If the champion club would have qualified for the preliminary phase based on its league finish, it is advanced to the group stage without affecting the other clubs from that association. If the club fails to qualify through the league, the association is granted an extra place unless it is one of the top three associations, in which the Champions' Cup champion replaces the league's fourth-placed team.

| RANK         | GROUP STAGE | CHAMPIONS | NON-CHAMPIONS |
|--------------|-------------|-----------|---------------|
| 1–3          | 3*          |           | 1             |
| 4–6          | 2*          |           | 1             |
| 7–12         | 1           |           | 1             |
| 13–28        |             | 1         | 1             |
| 29—          |             | 1         |               |
| Title holder | 1           |           |               |

\* One team from each association may be moved back to the playoff round.

Every association is entitled to enter three teams in the Globe Cup, and all of these clubs begin the competition in one of the preliminary rounds. Clubs eliminated from the Champions' Cup prior to the group stage, and clubs which finish third in their group, also enter the Globe Cup.

| ELIMINATED FROM CHAMPIONS' CUP | ENTERS GLOBE CUP     |
|--------------------------------|----------------------|
| First preliminary round        | Preliminary stage    |
| Second preliminary round       | Eliminatory stage    |
| Third preliminary round        | Qualifying stage     |
| Playoff round                  | Group stage          |
| Group stage (third place)      | First knockout round |

Every association is entitled to enter four teams in the Series B Champions' Cup. The top-seeded teams of a number of higher-ranked associations enter in the playoff round, while all other clubs start in the preliminary phase.

# Multiassociational leagues

Two or more members of UICA, or of the Paripana Sporting Council, may agree to form a unified league and assign their UICA places to the top finishers in that league. This league may be a first-division league (sharing Champions' Cup and Globe Cup places), a second-division league (sharing Series B Champions' Cup places), or may include both.

If a multiassociational league involves three or more associations, only the places assigned to the top two associations in the coefficient ranking may be used; the other associations' spots will be vacated and, if those associations are entitled to more than one Champions' Cup entry, the next-highest-ranked association will receive that benefit. Since every association has the same number of Globe Cup and Series B Champions' Cup places, a first-tier multi-association league may enter six teams in the Globe Cup and a second-tier multiassociational league may enter eight teams in the Series B Champions' Cup.

If either of the two highest-ranked associations in a multiassociational league are entitled to places in the Champions' Cup group stage, those places must be filled by teams from the association which earned them. Places in the champions' path must be filled by the highest-placed team from any association, while places in the non-champions' path may be filled by any team (and if the highest-placed team from an association earns one of these places, it will be transferred to the champions' path). Globe Cup places may be filled by any team, but no association may enter more than four teams. Likewise, Series B Champions' Cup places may be filled by any non-top-flight team, as long as no association enters more than six teams.

If the Champions' Cup title holder is from one of the top three ranked associations and is in a multiassociational league, and the team fails to qualify for the next Champions' Cup through the league, it will replace the lowest-placed team in the league which qualified for the non-champions' path.

Though normally no ooc person may enter teams from more than two associations under their control, additional associations are permissible as long as they are in a multiassociational league alongside at least one of that person's two primary associations. In this case, the additional associations may not contribute places to the league. Consequently, a multiassociational league consisting entirely of associations controlled by one person, and including only one of that person's two primary associations, may only use the places allocated to the primary (highest-ranked) association.

# Coëfficient ranking system

The association coëfficient is used to determine the number of places allocated in the Champions' Cup, and the starting round of teams in the Champions' Cup, Globe Cup, and Series B Champions' Cup. It is also used to calculate the scorinator ranking points for all teams. The club coëfficient is used to seed teams in the draws for the Champions' Cup preliminary, playoff, and group phases, and as a tiebreaker in the group phase if teams are tied on all sporting criteria.

A club receives two points for each win and one point for each draw in Champions' Cup and Globe Cup matches from the group stage onward. Matches played prior to the group stage only count toward the association's coëfficient.

Clubs eliminated from the Globe Cup prior to the group stage receive points according to the round in which they were knocked out:

|                      |     |
|----------------------|-----|
| Playoff access stage | 0.2 |
| Selective stage      | 0.4 |
| Preliminary stage    | 0.8 |
| Eliminatory stage    | 1.2 |
| Qualifying stage     | 1.6 |

In addition to points earned from matches played, clubs participating in the Globe Cup group stage receive two bonus points and clubs in the Champions' Cup group stage receive four bonus points. Clubs which advance to the Champions' Cup first knockout round receive four additional points, and clubs which reach the quarterfinals, semifinals, or final of either competition receive one bonus point for each round.

Furthermore, every club receives 20% of its association's coëfficient, including any club not listed in the ranking.

An association's coëfficient is based upon the sum of its club's coëfficients. In addition, the association receives one point for each win and one-half point for each draw by any of its clubs in the preliminary and playoff phases of the Champions' Cup and Globe Cup. For each season, this sum is divided by the number of clubs from the association which participated in the Champions' Cup and Globe Cup. For participants in multiassociational leagues, the season total will instead be divided by the number of clubs from the league which participated in the Champions' Cup and Globe Cup divided by the number of associations those teams represented, if that number is larger.

Associations and clubs are ranked according to the sum of their coëfficient points over the last five seasons. In the event that two or more associations or clubs are tied on total coëfficient points, the tie will first be broken according to points earned in the most recent season, followed by the second most recent season, *et cetera*.

Every four seasons, UICA holds bidding for an eight-season contract for one company to become one of its five sponsoring partners. Although the sponsorship deal includes advertising at all UICA competitions, each sponsor has a primary association with one of the four competitions. As TakilQuip, Globo Multimedia, and Banco Econômico have long-term associations with the Champions' Cup and Globe Cup, the bids are for either the Series B Champions' Cup or Super Cup sponsorship.

The next bidding opportunity is for Super Cups 41–48 (seasons 44–51); the window for bids will start after Super Cup 39 (season 42). The minimum requirements to bid are a company name and a monochrome logo of adequate resolution. The logo may be supplied as a PNG, SVG, or AI image. If the logo is merely the company name rendered in a particular typeface, only the name of the typeface need be supplied. UICA will automatically consider renewal of the current contract with AlfaCredit Bank.

As UICA wishes to maintain a diverse group of sponsors, companies from nations already represented by a UICA Partner, and their OOC puppets, are ineligible to bid.
