

**Coëfficients & Regulations**  
**SEASON 53**

# OVERVIEW

UICA operates five club competitions: the Champions' Cup, which is the world championship for club football; the Globe Cup, for teams which fell short of qualifying for the Champions' Cup or were eliminated from it; the Series B Champions' Cup, for the world's top second-division clubs; the Super Cup, played at the end of the season between the winners of those three tournaments; and the Youth Cup, a tournament for the under-19 teams of the Champions' Cup group stage qualifiers. All matches are played on a home and away basis, except the finals played at neutral sites; the Super Cup, in which each team hosts one of the three matches; and the Youth Cup knockout phase, which consists of single-match ties.

## ENTRY

Any football association which operates a club competition is entitled to enter UICA competitions. Every association may enter its champion in the Champions' Cup, three teams in the Globe Cup, and four teams from outside its top-tier league in the Series B Champions' Cup. (If an association has a single-tier league system, it may not enter the Series B Champions' Cup.) Associations may earn additional places in the Champions' Cup through the coefficient ranking system. Each user may have only two associations enter in a season, except as allowed by multiassociational league rules.

Entries may be submitted through the International Domestic Soccer NewsWires system at any time by listing the teams to be entered in next season's competitions in a standard box headed with the association's name, trigram, and the word "qualifiers", as shown:

### Samplestan (xyz) qualifiers

**Champions' Cup:** Sampleville United

**Globe Cup:** Sampleville City, Sampleville Wanderers, Sampleville Athletic

**Series B Champions' Cup:** AFC Sampleville, Sampleville Rovers, FC United of Sampleville, Sampleville Orient

Entries for non-UICA competitions may be included, but they must be after the entries for UICA competitions.

## FINAL SITES

Each association which has participated in UICA competition at least once before may nominate one stadium each to host the Champions' Cup final, the Globe Cup final, and the combined package of the Series B Champions' Cup final and Youth Cup semifinals and final. Each bid must include some details about the stadium, including the city in which it is located and its seating capacity. The Champions' Cup final must be played in a stadium seating at least 60 000; there are no specific capacity requirements for the other finals. No stadium

may bid to host more than one of these events in the same season. An association which has hosted a competition's final may not bid for the same final the next season, but may bid for the other competitions' finals.

Final site bids are submitted in the same manner as entries, in a box labeled with the association's name, trigram, and the phrase "final site bids":

### Samplestan (xyz) final site bids

**Champions' Cup:** Old Sample, Sampleville (capacity 76,000)

Old Sample is the largest stadium in Samplestan, and is home to 1093-time Samplestan Premier League champions Sampleville United. It is popularly known as "The Theatre of Samples."

**Globe Cup:** City of Sampleville Stadium, Sampleville (capacity 48,000)

The City of Sampleville Stadium was built as part of Sampleville's successful bid to host the Samplestani Empire Games, and is now the home of Sampleville City. For sponsorship reasons, it is also known as Sample Airways Stadium.

## SPONSORSHIP

UICA has five major sponsors, known as "UICA Partners," and one of these places is opened for bidding every second season. Each sponsor, except the UICA General Partner, is the primary sponsor of a particular competition. The Champions' Cup has a long-term contract with TakilQuip, so only the other four positions are open to bidding. In order to bid, the applicant must supply a logo of sufficient quality.

## SCHEDULE

The deadline for entries is announced in the NewsWires thread about a week in advance. Once the deadline has passed, the initial draw for the preliminary phases is conducted. Results are posted twice a day after that, along with the draw for the next round. After three days of preliminary matches, the results of the group phases are posted on the fourth day, and the knockout phases on the fifth and sixth days. The Champions' Cup final and Super Cup results are posted last.

## COEFFICIENT RANKING

After each season of competition, a ranking of associations and a ranking of clubs is published in this document. These coefficients are based on results in the Champions' Cup and Globe Cup over a period of five seasons. The association ranking determines the number of places each association receives in the Champions' Cup, and the rounds in which an association's teams enter all three major competitions. The club ranking determines seeding in the draws for the Champions' Cup and Globe Cup up to the group stage.

# SEASON 54

## CHAMPIONS' CUP ALLOCATION

Based on the coefficient ranking of seasons 49–53, associations will be permitted to enter the following number of teams in Champions' Cup 54:

|   |                                                                                                                                                                                                                                                                                                                                                                                  |
|---|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## TITLEHOLDERS

The Champions' Cup and Globe Cup titleholders are entitled to a place in the group stage of next season's competition, except that the Globe Cup titleholder cedes its place if it qualifies for the Champions' Cup. If either team qualifies for an earlier stage of the same competition, its place in that stage will be vacated; if either team fails to qualify for UICA competition, its association will receive an extra place in the Globe Cup.

 **CHAMPIONS' CUP**  
1896 Ebor  
MYT

 **GLOBE CUP**  
Cednia Beach AFC  
TUR

## MULTIASSOCIATIONAL LEAGUES

Multiassociational leagues receive the following places in the Champions' Cup according to the coefficient rankings of their top two associations. Group stage and playoff round places earned by the top twelve ranked associations are reserved for those specific associations. Champions' path places (c) must be filled by associations which do not have reserved places, and each association may fill only one of them. Non-champions' path places (nc) may be taken by any team regardless of association.

|                             |       |       |      |
|-----------------------------|-------|-------|------|
| Élite League                | 2 JSY | 1 COM | 2 NC |
| V-League                    | 1 VIL | 1 C   | 2 NC |
| LigAnaia                    | 2 C   |       |      |
| Pelagi Football Play-offs   | 2 C   |       |      |
| Fipino SuperLiga            | 1 C   |       |      |
| Commonwealth Premier League | 1 C   |       |      |

## FINAL SITES

The association which hosted a final in season 53 may not bid for the same final in season 54, but may bid for one of the other two finals:

|                                                                                     |                                             |

# COMPETITION REGULATIONS

## ENTRY

All teams which enter a UICA competition must have qualified on sporting merit within the two seasons prior to the start of the competition. Teams entering the Series B Champions' Cup must be teams which did not participate in the association's first-division championship during the qualifying season, and which, at the start of the season, had no means to qualify for the first-division championship during the season. All clubs which enter in a season must be independently-operated entities, except that a club entering the Series B Champions' Cup may be subsidiary to a club entering the Champions' Cup or Globe Cup.

A single user may enter teams from up to two primary associations, which may either be independent associations or participants in multiassociational leagues. A user may enter teams from other associations provided that they are in the same multiassociational league as a primary association.

## ALLOCATION OF PLACES

Any association is eligible to enter one team in the Champions' Cup, up to three teams in the Globe Cup, and up to four teams in the Series B Champions' Cup. Associations ranked 1–3 in the coefficient ranking are eligible to enter three additional teams in the Champions' Cup; associations ranked 4–6, two additional teams; and associations ranked 7–32, one additional team.

The titleholder of the Champions' Cup is obligated to enter the next season's Champions' Cup. If it fails to qualify, it will receive an additional place in the competition, unless its association has otherwise qualified four teams. In that case, the titleholder will replace the fourth-seeded team, which will enter the Globe Cup instead. If the titleholder did not qualify for a Globe Cup place, the association will receive an additional place in the Globe Cup.

The titleholder of the Globe Cup is obligated to enter the next season's Globe Cup, unless it qualifies for the Champions' Cup. If it fails to qualify for either competition, it will receive an additional place in the Globe Cup.

## MULTIASSOCIATIONAL LEAGUES

A multiassociational league is a unified competition between teams from two or more associations which determines their qualification for UICA competitions on a collective basis. It may be a first-division league, determining Champions' Cup and Globe Cup qualification; a second-division league, determining Series B Champions' Cup qualification; or may include both.

If a league involves associations from at least two users, or if it involves both of a user's primary associations, then the league's two highest-ranked associations in the coefficient ranking are considered its primary associations. If a multiassociational league involves only one of

a user's primary associations, only the single highest-ranked association is considered the league's primary association.

The number of teams that a multiassociational league may enter in each UICA competition is equal to the total that its one or two primary associations are entitled to enter, limited to the number of teams from each primary association which are able to qualify for those places. For example, a first-division league of 13 teams from Samplestan and 3 from Sample Colony, both unranked, would be allowed to enter 2 teams in the Champions' Cup and only 5 in the Globe Cup, because Sample Colony can only contribute 1 Champions' Cup and 2 Globe Cup places.

The entry of teams in the Champions' Cup is restricted based on the types of places earned by the primary association. One place earned by each association is a champions' path place, and the second place earned by associations ranked 32 and above is a non-champions' path place. For associations ranked 1–12, the champions' path place becomes a fixed place (a direct entry to the group stage or playoff round), and the third and fourth places earned by associations 1–6 are also fixed places.

No association may have teams fill more than one champions' path places, and only associations not entitled to fixed places may fill a champions' path place. Fixed places must be filled by teams from the association which earned them. Non-champions' path places may be filled by any team.

For the Globe Cup and Series B Champions' Cup, the only restriction on qualification is that no more than four and six teams, respectively, from the same association may participate in each competition, not counting any additional Globe Cup places granted under titleholder rules.

## PLAYER ELIGIBILITY

In all competitions except the Youth Cup, each team may register up to twenty-five players on List A, of which at least two must be goalkeepers, and an unlimited number of players aged 21 or under at the start of the UICA season on List B. List A may be freely amended between each round up to and including the group stage, and between the final and the Super Cup. It may be also amended with up to three changes between the group stage and first knockout round. Additionally, subject to UICA approval, a goalkeeper on List A who suffers a long-term injury or illness may be replaced at any time. List B may be amended at any time.

In the Youth Cup, all players must be aged 19 or under at the start of the UICA season, and may be freely registered before each match. Any player who plays in three or more matches in the Champions' Cup and Globe Cup during

# COMPETITION REGULATIONS

a season becomes ineligible to participate in the Youth Cup for the rest of the season.

No player may play in the Champions' Cup, Globe Cup, and Series B Champions' Cup for more than one club during a season.

The equivalent age of non-human players for the purpose of these regulations is determined by UICA after consultation with the associations concerned.

## COEFFICIENT RANKING

The association coefficient is used to determine the number of places allocated in the Champions' Cup, and the starting round of teams in the Champions' Cup, Globe Cup, and Series B Champions' Cup. It is also used to calculate the scorinator ranking points for all teams. The club coefficient is used to seed teams in the draws for the Champions' Cup and Globe Cup up to and including the group stage, and as a tiebreaker in the group stage if teams are tied on all sporting criteria.

A club receives two points for each win and one point for each draw in Champions' Cup and Globe Cup matches from the group stage onward. Matches played prior to the group stage only count toward the association's coefficient. Matches played in the Series B Champions' Cup, Super Cup, and Youth Cup do not count toward either coefficient.

Clubs eliminated from the Globe Cup in the first preliminary round receive 0.2 points; clubs eliminated in the second preliminary round receive 0.4 points; in the third preliminary round, 0.8 points; in the playoff round, 1.2 points; and in the qualifying round, 1.6 points.

In addition to points earned from matches played, clubs participating in the Globe Cup group stage receive two bonus points and clubs in the Champions' Cup group stage receive four bonus points. Clubs which advance to the Champions' Cup first knockout round receive four additional points, and clubs which reach the quarterfinals, semifinals, or final of either competition receive one bonus point for each round.

Furthermore, every club receives 20% of its association's coefficient, including any club not listed in the ranking.

An association's coefficient is based upon the sum of its club's coefficients. In addition, the association receives one point for each win and one-half point for each draw by any of its clubs in the preliminary and playoff phases of the Champions' Cup and Globe Cup. For each season, this sum is divided by the mean of the number of clubs from the association which participated in the Champions' Cup and Globe Cup, and the number of clubs which the association was entitled to enter (disregarding titleholders and participation in a multiassociational league).

Associations and clubs are ranked according to the sum of their coefficient points over the last five seasons. In the event that two or more associations or clubs are tied on total coefficient points, the tie will first be broken according to points earned in the most recent season, followed by the second most recent season, *et cetera*.

## MEDALS, TROPHIES & UICA STAR

Forty gold medals are presented to the club which wins each UICA competition, and forty silver medals to the runner-up. Forty bronze medals are presented to the third-placed club in the Super Cup. Additional medals may not be produced.

The club which wins a UICA competition is entitled to keep the competition's trophy until two months prior to the next season's final, at which point it will receive a four-fifths scale replica of the trophy for its permanent collection.

If a club wins a competition three times consecutively or five times in total, it is permanently awarded the trophy, and a new trophy will be created for the next season. The club is also awarded the UICA Star, a special mark of recognition which may be worn by the team on the left shirt sleeve in future matches of the competition in which it was won. Alternatively, a club which is awarded the UICA Star in the Champions' Cup may integrate the design into its logo, subject to UICA approval. Once a cycle of three consecutive or five total titles has been completed, a club may earn another trophy after starting a new cycle from zero, but no club may be awarded two UICA Stars in the same competition.

At UICA's discretion, a trophy may be retired and awarded to a club. In this case, the club will not be awarded another trophy when it next completes a cycle of three consecutive or five total titles in that competition.
